## Dear 2025 Oktoberfest Sponsor,

Welcome to the 46th annual Oktoberfest! The Los Osos/Baywood Park Chamber of Commerce and the Kiwanis Club of Bay-Osos are organizing our annual Oktoberfest celebration to be held on Sunday, October 26, 2025. This is the oldest Oktoberfest in the County and attracts well over 5,000 people for the day!

Each year, we work directly with local business owners and residents to make this event possible. The funds raised from Oktoberfest help the LO/BP Chamber of Commerce support the well-being and success of businesses in Los Osos and Baywood Park. This event not only helps us provide benefits to our members but also allows us to give back to the community. Additionally, sponsorships enable the Chamber to collaborate with Kiwanis to support local youth by funding events like the Easter Egg Hunt, scholarships, school programs such as music and mock trials, Scout activities, youth sports, and other needs for young people.

As a valuable member of our community and business district, we invite you to become one of our sponsors. Throughout the event, we will be honoring you as our event sponsor in a myriad of ways. As a leader in our community, your involvement allows us to continue to highlight our local people in business, support our community programs, and provide business support and community outreach.

We are extremely grateful for you and your continued support year after year. **For maximum exposure, kindly reply by September 30th**. The sponsorship levels are outlined below for your consideration. We greatly appreciate your support.
